

# "Chesterfield" CLOTHES FOR SPRING

If the front of  
any Chester-  
field suit breaks  
or gets out of  
shape in twelve  
months, your  
money back or  
a new suit, and  
there will be  
no controver-  
sy whatever.

¶ If you have been having your clothing made by a merchant tailor, then you are the man we want the opportunity of showing our spring styles in "Chesterfield" suits and overcoats.

¶ The extreme critic is the man that "Chesterfield" clothes appeal to first.

¶ We don't class "Chesterfield" clothing with any other line of ready-made clothing in existence, prices \$18.00 to \$50.00.

¶ And to verify the above statement we will be pleased at any time to send to your home on approval, any one, two or three "Chesterfield" suits in direct comparison, with any other line of "so-called" high-grade clothing or clothes made by any tailor in the city, and will let the clothes talk for themselves, leaving the salesmanship out of it.

¶ The supreme elegance in appearance, the perfection in fit, the very essence of rich lasting quality is found in "Chesterfield" suits.

¶ We keep all the clothing we sell cleaned and pressed free of charge.

¶ We will be pleased to show you the new developments in men's styles without your feeling obligated to buy
